

Create a lesson plan for primary 2 children on introduction of money

Subject: Introduction to Money

Grade: Primary 2

Objective:

To understand money, its role in the economy, and how it's used to trade goods and services.

Materials:

Pictures of various coins from your local currency, a poster, paper and crayons.

Time:

45 minutes

Procedure:

I. Introduction (5 minutes)

- A. Begin the lesson by introducing the topic of money and its importance in the economy.
- B. Ask the students to name a few things that cost money. (e.g; food, books, and toys).

II. Pictures of Coins (10 minutes)

- A. Show the students pictures of various coins from your local currency.
- B. Ask them to identify the name and value of each coin.
- C. Discuss how these coins are used to purchase goods and services.

III. Money Poster (15 minutes)

- A. Divide the class into groups of two or three.
- B. Ask each group to create a poster illustrating the different coins and their values.
- C. Pass out paper and crayons to each group.
- D. The poster should also include a definition of money.

IV. Conclusion (15 minutes)

- A. Allow each group to share their poster.
- B. Have a discussion about the importance of money.

- C. Ask the students to name some jobs that involve money.
- D. Summarize the key points of the lesson.
