

□

Create a manager of zoo telling a group of students aged 12 that he needs a new souvenir designing for the shop. The manager would like the souvenir to be a clock in the theme of the zoo.

Good morning students! I am the manager of the zoo and I am here to inform you that I am in need of a new souvenir design for the zoo shop. I would like this souvenir to be a clock in the theme of the zoo. I am opening up the challenge to all of you to create the best design possible using whatever material you have available. I am sure you all have some amazing ideas and I look forward to seeing what you have in store! Good luck!
