Title: How to Live a Healthy Life

Materials:

- Water bottle
- Fruits and vegetables
- Comfortable shoes
- Sunscreen
- Toothbrush and toothpaste

Steps:

- 1. Drink water every day. Fill up your water bottle and drink it throughout the day to stay hydrated.
- 2. Eat fruits and vegetables. They are good for your body and help you grow strong. Try to eat a variety of colors every day.
- 3. Exercise every day. Put on your comfortable shoes and go for a walk, run, or play outside. It's important to move your body and get your heart pumping.
- 4. Protect your skin from the sun. Apply sunscreen before going outside to prevent sunburns and skin damage.
- 5. Brush your teeth twice a day. Use your toothbrush and toothpaste to keep your teeth clean and healthy.
- 6. Get enough sleep. Make sure you go to bed early and get enough rest so you can feel energized and ready for the day.

Remember, living a healthy life is important for your body and mind. By following these simple steps, you can stay healthy and happy!
