## **Create an exemplar piece of writing for a primary 4 class persuading someone that a child should get the last seat on the lifeboat of the titanic.**

---

Do you ever think about how precious life is? We all may take it for granted at times but we should never forget that life is a once-in-a-lifetime opportunity.

That's why it is important to accept the last seat on the lifeboat of the Titanic for a child. Think about it - every child deserves a chance in life and this is perhaps their last chance to escape!

What would it feel like if your child was in that position? Selfishly denying that child the chance at life would be incredibly cruel. It is important to remember that all children are not just the future, but also the present.

So please, consider the life of a child when deciding the last seat of the lifeboat of the Titanic. Give that child the chance they deserve! Let them experience the beauty of life, simply because of your one kind act.

Let's all make the right decision today. Let the last seat of the Titanic go to a child.
