

□

**write a poem for primary 7 about the
looking out at the rain from inside your
car. Must not use the word i. first verse
about what you can see, second about
hear, third about smell, fourth about feel.
must include a range of figurative
language and advanced punctuation**

Misty rain drops,
Streaking windshield wipers,
Like a silver waterfall
Flicking the glass pane,

Rumbling patter,
Of wet melody,
Gently stroking the souls of all trees,
And soothing my inner unease,

Earthly aroma,
Wafting through my windows,
A misty saturation
Of sweet, damp dew,

Slopping puddles,
Splattering my view,
A feeling of calm,
Warmly nestling inside me and you.
