

□

**Write a poem with 5 verses about a firework show on New Year's Eve that includes onomatopoeias in the first line of each verse. Each verse needs 4 lines and must rhyme. Must be appropriate for primary 7 class. First verse about the sound. Second verse about the sight. Third verse about the smell. Fourth about the feeling. Fifth verse about that fireworks represent hope for the new year.**

---

Verse 1

Bang! Sizzle! Roar! Boom's the firework's song  
Surrounded by starry night so long  
Explosions with showers of sparks ignite  
The show of the night, a wonderful sight

Verse 2

Colors blazing red, pink and green too  
Whizzing around in the air it flew  
Crowds of people all around  
The firework show, beauty abounds

Verse 3

Smoke and ash cloud the sky so high  
Mixing with the smell up in the sky  
Soothing scents of powder float in the air  
A bed of relaxation for all who'd dare

Verse 4

The great explosion shakes the air  
Creating tingles of happiness everywhere

Together, we're watching arhythmic display  
The feeling on this night, really can't be put in words to say

#### Verse 5

Glimmers of hope, on this New Year's Eve  
As fireworks light up the end of the year  
The possible future, so lit in the sky  
What a beautiful way to say goodbye
