

□

**Write a poem with 5 verses about a firework show on New Year's Eve that includes onomatopoeias in the first line of each verse. Each verse needs 4 lines and must rhyme. Must be appropriate for primary 7 class. First verse about the sound. Second verse about the sight. Third verse about the smell. Fourth about the feeling. Fifth verse about that fireworks represent hope for the new year.**

---

Verse 1

Pow! Crack! Boom! Zip!  
The revellers from the town all slip  
Into their cozy homes to hear  
The sound of firework cheer

Verse 2

Colours of the rainbow in the sky  
A hush as they all give a sigh  
A sprinkle of dots and swirls of white  
Lights up the night

Verse 3

The smell of burning sulphur in the air  
A puff of smoke across the square  
The whiff of something old and new  
Makes the atmosphere anew

Verse 4

The feeling of anticipation in the crowd  
Swelling up its joy aloud  
In such an amazing display  
We feel the joy in every way

Verse 5

Evoking hope that the new year will bring  
Everything that we have dreamed  
Sparkling lights in the night activate  
The hope that we can celebrate.
