

Write me a rap song about the Dallas cowboys

[Verse 1]

The Dallas Cowboys, pride of Texas
Cheer 'em on and you never will guess
Kinda seems like it's kinda heartless
Heart of America, conquering the mess

[Chorus]

That's our Dallas Cowboys, represstin' the state
Ridin' high for glory, never gonna late
The Cowboys of '25, keep on winning that game
Either you love them, or you make em the blame

[Verse 2]

Greatest team in the NFL
Rocking Dallas blue, gonna reign supreme
Gonna go out and make that big deal
Stand up strong and get on that big wheel

[Chorus]

That's our Dallas Cowboys, represstin' the state
Ridin' high for glory, never gonna late
The Cowboys of '25, keep on winning that game
Either you love them, or you make em the blame

[Verse 3]

All the iconic days and all the moments
Tales of legends lost but stories always told
Ridin' the trails of a Dallas Cowboy
Ain't nothing like when the boys take hold

[Chorus]

That's our Dallas Cowboys, represstin' the state
Ridin' high for glory, never gonna late
The Cowboys of '25, keep on winning that game
Either you love them, or you make em the blame
